It is expected that some of the Grand Lodge Officers and other distinguished Masons will be our guests at the Special Communication on MAY 26th and as we surely expect to make the best showing possible, it behooves each one of us to be on the job, whether taking active part in the work or not.

Our work for the season is nearly completed, but your co-operation is necessary to help keep our work up to the high standard we have set; so attend as many of The June Meetings as possible.
